

Journal of CENTRUM Cathedra

The Business and Economics Research Journal

Requirements for the Submission of Articles.

- Manuscripts should be written entirely in English.
- Manuscripts will not be reviewed by or be sent to any other publication during the period of review.
- Manuscripts report the elaboration of theory or empirical results that have not been published previously.
- Manuscripts have not been previously submitted to the journal for review.
- Manuscripts should be submitted in Word, Times New Roman 12pt. font without columns.
- Manuscripts should be submitted in the American Psychological Association Publication Guide (APA) fifth edition format, and in APA sixth edition starting with JCC5.
- We welcome all empirical methods including, but not limited to, qualitative, quantitative, field work, laboratory, meta-analysis, and the combination of methods or mixed methods.
- Manuscripts should include title and author's name and surname on the first page only because of blind review purposes. Do not write name, surname and author's note in the rest of the paper.
- Manuscripts that make a strong contribution will be permitted more pages than those in which the contributions are less. As a guideline, the most focused contributions, called "research notes," should be 25 pages double-spaced. Broader contributions should be 40 pages double-spaced.
- We require an abstract of no more than 100 words and the key words of the article. This should be written in the same file the manuscript is.
- Figures and tables should be delivered in separated files, in its original format and should always be numbered consecutively (Figure 1, Figure 2). Do not insert figures and tables in the text. Instead, in the space immediately after the paragraph in which the figure or table is first referenced, insert a text tag indicating that the figure should be placed there.
- Manuscripts must be free from any form of plagiarism and must display all credits due.
- Manuscripts should be submitted by attachment to jcc@pucp.edu.pe with indication of two possible reviewers for the article and their contact information.
